

INDEPENDENT MARKET VISITS

Meet face-to-face with representatives in targeted international markets to build your business abroad.

FOCUS ON YOUR GOALS WITH INDEPENDENT MARKET VISITS

Shaking hands with potential customers and partners is an important step in building sound business relationships. When group missions visits do not match your schedule or target country, our team can help arrange an Independent Market Visit. VEDP-International Trade will connect you with one of our global network consultants in over 75 countries who will identify, screen and set appointments with qualified distributors, agents or partners. Our consultants assist with planning, logistics, appointment setting, translation, and trade show support. These well-planned visits are business meetings set up on your behalf, with your input, to save you time and maximize your results. For more information, contact our Global Research Manager.

OUR PROFESSIONALS PROVIDE A FAST-TRACK ITINERARY THAT SAVES TIME, MINIMIZES RISK AND PUTS YOU IN FRONT OF NEW CUSTOMERS.
